In 1991, a Supplemental License Agreement was granted to carry out the business of a General Building Contractor. Mechanical Engineering Ltd. has operated in the field of thermal/acoustical insulation in Italy and abroad for over twenty-five (25) years.

Listed below is a sampling of companies that Mechanical Engineering Ltd. has provided insulation, scaffolding, and / or painting services for:-

Bahamas Oil Refining Company (BORCO)

Grand Bahama Power Company Limited

Franklin Chemicals Ltd.

Gist Brocades

Uniroyal Chemicals

Syntex Pharmaceuticals

Pharmaceutical Fine Chemical

Honeywell

Grand Bahama Shipyard

Polymers International

Our Lucaya Resort

Grand Bahama Airport Company Ltd.

Allied Signal

Bahamas Electricity Corporation (BEC)

- *Abaco, Bimini, Eleuthera, Long Island and New Providence*

Alstom Power - Madrid, Spain

## **GENERAL INFORMATION**

### *Activity:*

The supply and installation of noise, heat and cold insulation for industrial, marine and civil use. We provide services for refractory linings, water blasting and paint works, as well as, the fabrication and installation of sheet metal air conditioning ducts and the erection of scaffolds.

### *Thermal Insulation Division:*

Provide insulation and maintenance of thermal insulation for hot, cold, cryogenic temperatures and of acoustical insulation to fulfill any of the customer's requirements.

We supply any insulation material, fitting and complementary material available to the national and international market.

Mechanical Engineering Ltd. also can design any type of thermal insulation, both in cold and hot services, including any type of acoustical insulation.

## LIST OF EQUIPMENT

Trucks	05
Cranes	03
Backhoe	01
Forklift	02

### *Job Site Accommodations*

Office Space	
Storage Space	
Workshop	
Total covered area	900+ sq. meters

### *Scaffoldings*

Steel Pipes	6,400 linear meters
Clamps and accessories	3,000 pieces
Planks	500 pieces
Scaffolding frames	500 pieces
Electrical hoist	02
Air hoist	01

### *Sheet Metal Machines*

Shearing machine	03
Electric rollers	03
Hand roller	01
Curling machine	01
Bending machine	03
Punching machine	02
Welding machine	05
Disc saw	02

### *Machines for Insulation Materials*

Band saw	01
Disc saw for refractory	02

### *Electrical*

Generator units, diesel powered	02
---------------------------------	----

### *Various Tools*

Complete tool kits for Workshop	12
Complete tool kits for Erectors	40
Nelson guns	03
Concrete mixer	05
Pneumatic Hammers	06
Jack Hammers	10
